

Ss Peter and Paul Catholic Primary School

Accessibility Plan.

2014 to 2017

Under the Equality Act 2010 schools should have an Accessibility Plan. The Equality Act 2010 replaced all existing equality legislation, including the Disability Discrimination Act. The effect of the law is the same as in the past, meaning that “schools cannot unlawfully discriminate against pupils because of sex, race, disability, religion or belief and sexual orientation”.

According to the Equality Act 2010 a person has a disability if: (a) He or she has a physical or mental impairment, and (b) The impairment has a substantial and long-term adverse effect on his or her ability to carry out normal day-to-day activities. The Accessibility Plan is listed as a statutory document of the Department for Education’s guidance on statutory policies for schools.

The Plan must be reviewed every three years and approved by the Governing Body. The review process can be delegated to a committee of the Governing Body, an individual or the Head. At Ss Peter and Paul Catholic Primary School the Plan will form part of the Behaviour and Safety section of the School Development Plan and will be monitored by the headteacher and evaluated by the relevant Governors’ committee.

At our school we are committed to working together to provide an inspirational and exciting learning environment where all children can develop an enthusiasm for life-long learning. We believe that children should feel happy, safe and valued so that they gain a respectful, caring attitude towards each other and the environment both locally and globally.

The Accessibility Plan has been developed and drawn up based upon information supplied by the Local Authority, and consultations with pupils, parents, staff and governors of the school. Other, outside agencies and specialists have also been consulted. The document will be used to advise other school planning documents and policies and will be reported upon annually in respect of progress and outcomes.

The intention is to provide a projected plan for a three year period ahead of the next review date.

The Accessibility Plan is structured to complement and support the school’s Equality Objectives, and will similarly be published on the school website in the SEN offer section. We understand that the Local Authority will monitor the school’s activity under the Equality Act 2010 (and in particular Schedule 10 regarding Accessibility) and will advise upon the compliance with that duty.

Our school is committed to providing an environment that enables full curriculum access that values and includes all pupils, staff, parents and visitors regardless of their education, physical, sensory, social, spiritual, emotional and cultural needs. We are committed to taking positive action in the spirit of the Equality Act 2010 with regard to disability and to developing a culture of inclusion, support and awareness within the school.
