

Ss PETER AND PAUL CATHOLIC PRIMARY SCHOOL

To grow in knowledge and love, and walk in the footsteps of Jesus"

NEWSLETTER TO PARENTS 5th May 2017

Dear Parents/Carers,

I hope you all had a very happy Easter. Summer is definitely on its way at Ss.PP and it is lovely to see the children in their summer uniforms.

We are already a week into our term and well on our way with getting our years 2 and 6 children ready for their tests. I am so proud of how hard staff and children have worked and can't thank you parents and carers enough for your support.

We have many exciting events planned for the summer term so please read the *Dates for the diary* section of this newsletter. We continue to update our new school website and thank you for your continued patience. As always, I ask for your continued commitment to help us to ensure your children's safety by parking safely and considerately when dropping off and collecting at the end of the day. Please be mindful too of our neighbours who deserve our respect and kindness.

Many thanks

Value of the Month

This month, we reflect on the Christian value of humility. We learn that it is important to have self-respect and value the things we do well but not think we are better than other people. Humility is essential if we are to work together. It is the opposite of pride and boasting and about replacing prideful thoughts and actions with humble attitudes. Each person is important and has different gifts to use for the good of the whole.

Dear God, Please give us a humble heart that is willing to listen to You.

End of KS2 SATs

The Year 6 children's SATs assessments will take place during the week of 8th - 11th May.

We all know that we perform better under relaxed, secure conditions as opposed to intense, stressful ones. In school, we continue to do everything we can to alleviate the children's worries. So, as always, we ask that parents/carers support their children during this time to remain calm and relaxed by keeping to normal routines as much as possible during this month.

We ask also that children are in school and arrive on time during SATs week. If you have any concerns, please speak to your child's teacher or myself.
